**NEW WEDNESDAY MORNING LADIES' BIBLE STUDY**  
starting **September 4<sup>th</sup> at 10:00 A.M.**

Once upon a time there was a version of our faith that was practically ... irresistible.

But that was then. Today we preach, teach, write, and communicate as if nothing has changed. As if "The Bible says it" still settles it.

It's time to hit pause on much of what we're doing and consider the faith modeled by our first-century brothers and sisters who had no official Bible, no status, and humanly speaking, little chance of survival. What made their message so compelling, so defensible, so irresistible?
